criteria for certification (including class definition) or the existence or elements of the causes of action asserted in the action, as against the Non-Settling Defendants.

20. **THIS COURT ORDERS** that this Order, including the Settlement Agreement, is binding upon the Settling Defendants in accordance with the terms hereof, and upon each member of the Settlement Class who does not validly opt out of this action, including those persons who are minors or mentally incapable, and that the requirements of Rules 7.04(1) and 7.08(4) of the *Rules of Civil Procedure*, RRO 1990, Reg. 194 are dispensed with in respect of the action.

24. **THIS COURT ORDERS** that, upon the Effective Date, each Releasor shall not now or hereafter institute, continue, maintain, intervene in or assert, either directly or indirectly, whether in Canada or elsewhere, on their own behalf or on behalf of any class or any other person, any proceeding, cause of action, claim or demand of any nature whatsoever against any Releasee, or against any other person who may claim contribution or indemnity or other claims over relief from any Releasee, arising out of, in respect of or relating in any way to any Released Claim, and all such claims are hereby forever barred, prohibited and enjoined.

25. **THIS COURT ORDERS** that the use of the terms "Releasors" and "Released Claims" in this Order does not constitute a release of claims by those members of the Settlement Class who are resident in any province or territory where the release of one tortfeasor is a release of all tortfeasors.

26. **THIS COURT ORDERS** that all claims for contribution, indemnity or other claims over, whether asserted, unasserted, or asserted in a representative capacity, inclusive of interest, taxes and costs, relating to or arising from the Released Claims, which were or could have been brought in this action or any other actions, or otherwise by any Non-Settling Defendant, any named or unnamed co-conspirator that is not a Releasee or by any other person or party, including Olympia Trust Company ("Olympia"), against a Releasee, or by a Releasee against any Non-Settling Defendant or any named or unnamed co-conspirator that is not a Releasee or any other person or

party, including Olympia, are barred, prohibited and enjoined in accordance with the terms of this Order (unless such claim is made in respect of a claim by a person who has validly opted out of the action).

27. **THIS COURT ORDERS** that, for greater certainty, the claims made by Olympia Trust Company as against the Settling Defendants in respect of the Sutton/The Link Project in its Third Party Claim issued October 1, 2021 in the *Raponi v. Olympia Trust Company* action, bearing Court File No. CV-20-006453593-0A71, and all future claims which could be asserted by Olympia against the Settling Defendants arising out of or relating to the Sutton/The Link Project are forever barred, prohibited and enjoined.

28. **THIS COURT ORDERS** that, for greater certainty, all claims of the Settlement Class members of any nature whatsoever arising out of or relating in any way to the professional services provided by, or any actions or omissions of the Settling Defendants relating to or arising from the syndicated mortgage loans that are the subject of this action, and which could have been brought in this action or in a separate proceeding, including in the *Raponi v. Olympia Trust Company* action, are barred, prohibited and enjoined.

29. **THIS COURT ORDERS** that, for greater certainty, this Order does not preclude the Settlement Class from continuing this action against any Non-Settling Defendant or named or unnamed alleged co-conspirators that are not Releasees, or the continuation of the claims asserted in this action on an individual basis or otherwise against any Non-Settling Defendant or named or unnamed co-conspirator that is not a Releasee, nor does it preclude continuing the action *Raponi v. Olympia Trust Company*, Court file No. CV-20-00643593-00CP, provided that no relief for or arising from any Released Claims is sought against any Non-Settling Defendant, named or

unnamed alleged co-conspirator, or other party in those proceedings, or against Olympia Trust Company in the *Raponi v. Olympia Trust Company* action.

30. **THIS COURT ORDERS** that, in the event of any claim by any Non-Settling Defendant, named or unnamed alleged co-conspirator, or other person for contribution and indemnity or other claim over against any Releasee, whether in equity or in law, by statute or otherwise or if, in the absence of this Order, any Non-Settling Defendant, named or unnamed alleged co-conspirator, or other person made or could have made a claim for contribution, indemnity or other claim over from or against any Releasee, whether in equity or in law, by statute or otherwise:

- (a) the Plaintiff and Settlement Class Members shall not be entitled to claim or recover from any Non-Settling Defendant, named or unnamed alleged co-conspirator or other person, including Olympia Trust Company in the *Raponi v. Olympia Trust Company* action, that portion of any damages (including punitive damages, if any), restitutionary award, disgorgement of profits, interest and costs that corresponds to the proportionate liability of the Releasees proven at trial or otherwise;
- (b) the Plaintiff and Settlement Class Members shall limit their claims against any Non-Settling Defendant, named or unnamed alleged co-conspirator or other person, including Olympia Trust Company in the *Raponi v. Olympia Trust Company* action, to include only, and shall only seek to recover from any Non-Settling Defendant, named or unnamed alleged co-conspirator or other person, including Olympia Trust Company in the *Raponi v. Olympia Trust Company* action, such claims for damages (including punitive damages, if any), restitutionary award, disgorgement of profits, interest and costs attributable to the aggregate of the several liability to the Plaintiff and Settlement Class Members of each Non-Settling

Defendant, named or unnamed alleged co-conspirator or other person, and of Olympia Trust Company in the *Raponi v. Olympia Trust Company* action, if any, and, for greater certainty, the Settlement Class Members shall be entitled to claim and seek to recover on a joint and several basis as between each Non-Settling Defendant(s), named or unnamed alleged co-conspirator and/or any other person or party that is not a Releasee, including Olympia Trust Company in the *Raponi v. Olympia Trust Company* action, if any, if permitted by law; and

- (c) this Court shall have full authority to determine the liability and the proportionate liability of the Releasees at the trial or other disposition of this action and at the trial of the *Raponi v. Olympia Trust Company* action, whether or not the Releasees remain in such action or appear at the trial or other disposition of such action, and the liability and the proportionate liability of the Releasees shall be determined as if the Releasees are parties to such action and any determination by this Court in respect of the proportionate liability of the Releasees shall only apply in this action, or in the *Raponi v. Olympia Trust Company* action, as the case may be, and shall not be binding on the Releasees in any other proceeding.

31. **THIS COURT ORDERS** that nothing in this Order is intended to or shall limit, restrict or affect any arguments which any Non-Settling Defendant, named or unnamed alleged co-conspirator or other person, including Olympia Trust Company in the *Raponi v. Olympia Trust Company* action, may make regarding the reduction of any assessment of damages (including punitive damages, if any), restitutionary award, disgorgement of profits, interest and costs or judgment against them in favour of the Settlement Class Members in this action or in the *Raponi*

v. Olympia Trust Company action, or the rights of the Plaintiff and the Settlement Class Members to oppose or resist any such arguments, except as provided for in this Order.

32. **THIS COURT ORDERS** that, for greater certainty, to the extent that the Settling Defendants are found or could have been found to have any liability to any of the Non-Settling Defendants, named or unnamed alleged co-conspirator or other person, including Olympia Trust Company in the *Raponi v. Olympia Trust Company* action, for contribution or indemnity arising from or related to amounts for which the Non-Settling Defendants, named or unnamed alleged co-conspirator or other person are found liable to the Class, the Class Members' recovery from the Non-Settling Defendants, named or unnamed alleged co-conspirator or other person, including Olympia Trust Company in the *Raponi v. Olympia Trust Company* action, shall be reduced by the amount(s) for which the Settling Defendants are or could have been found liable to the Non-Settling Defendants, named or unnamed alleged co-conspirator or other person.

33. **THIS COURT ORDERS** that nothing in this Order shall preclude Olympia Trust Company from bringing a motion in the *Raponi v. Olympia Trust Company* action seeking to conduct pre-trial documentary and oral discovery of any Releasee in respect of the facts surrounding the Released Claims and/or to compel any Releasee to appear at the trial in that proceeding pursuant to Rule 53.04 of the Ontario *Rules of Civil Procedure* as if the Releasee was a third party in that proceeding in respect of the Released Claims, and the obligations of the Releasees to retain and preserve copies of any relevant documents relating to the Released Claims shall continue as though they remained parties to the Third Party Claims issued in the *Raponi v. Olympia Trust Company* action in respect of the Released Claims.

34. **THIS COURT ORDERS** that, for purposes of administration and enforcement of the Settlement Agreement and this Order, this Court will retain an ongoing supervisory role and the Settling Defendants acknowledge and attorn to the jurisdiction of this Court solely for the purpose of implementing, administering and enforcing the Settlement Agreement and this Order, and subject to the terms and conditions set out in the Settlement Agreement and this Order.

35. **THIS COURT ORDERS** that, without further order of the Court, the parties to the Settlement Agreement may agree to reasonable extensions of time to carry out any of the provisions of the Settlement Agreement.

36. **THIS COURT ORDERS** that, except as provided herein, this Order does not affect any claims or causes of action that any members of the Settlement Class have or may have in the action against any Non-Settling Defendant(s) or named or unnamed co-conspirators who are not Releasees.

37. **THIS COURT ORDERS** that, other than that which has been provided in the Settlement Agreement, no Releasee shall have any responsibility or liability whatsoever relating to the administration of the Settlement Agreement.

38. **THIS COURT ORDERS** that, no later than 90 days from the date of this Order, Spadafora and Perlov, on their own behalf, and Krish Kochhar (“Kochhar”) on behalf of FFM, shall produce to Class Counsel all documents currently in the possession of their counsel that are relevant to the matters at issue in this action, in their original format as received by counsel, and shall confirm and warrant that those documents are all the non-privileged documents in their possession, control or power that are relevant to the matters at issue in this action.

39. **THIS COURT ORDERS** that the Plaintiffs shall provide to the Non-Settling Defendants a copy of all documents produced to the Plaintiffs by the Settling Defendants in accordance with the Plaintiffs' production obligations.

40. **THIS COURT ORDERS** that Spadafora and Perlov, on their own behalf, and Kochhar on behalf of FFM, will attend before an official examiner in Toronto, Ontario to be examined under oath by Class Counsel and the Non-Settling Defendants on a date to be agreed upon between the parties, but which shall take place no later than 150 days after this Order, and the Settling Parties have delivered their documents to the Plaintiffs and those documents have been in turn provided to the Non-Settling Defendants, whichever is later, unless the parties to this action, including Spadafora, Perlov and Kochhar, agree otherwise. Spadafora and Perlov will attend to answer questions regarding their personal knowledge about, and involvement in the matters in issue in this action.

41. **THIS COURT ORDERS** that the Plaintiffs and Non-Settling Defendants will be entitled to read into the record at trial the Settling Defendants' discovery evidence as though the Settling Defendants remained parties to this action.

42. **THIS COURT ORDERS** that, in the event that the Settlement Agreement is terminated in accordance with its terms or otherwise fails to take effect for any reason, this Order shall be declared null and void and of no force or effect without the need for any further order of this Court but with notice to the Class.

43. **THIS COURT ORDERS** that, upon the Effective Date, this action is hereby dismissed as against all Settling Defendants, without costs and with prejudice.

44. **THIS COURT ORDERS** that there shall be no costs of this motion.

The Plaintiffs and the Settling Parties agree that the Settlement Approval Orders shall contain a bar order which shall include the following provisions:

- (a) all claims for contribution or indemnity or other claims over, whether asserted or unasserted or asserted in a representative capacity, inclusive of interest, taxes and costs relating to or arising from the Settled Claims which were or could have been brought in these Class Actions or that have been, or that could have been asserted by a separate action by any Non-Settling Defendant or by any other person or party against any of the Settling Parties, or by the Settling Parties against any Non-Settling Defendant, shall be forever barred, prohibited and enjoined;
- (b) all claims of all members of the Classes against the Settling Parties of any nature whatsoever arising out of or relating in any way to the Settled Claims, which could have been brought in the Class Actions or in a separate proceeding shall be forever barred, prohibited and enjoined;
- (c) a full and final release in favour of the Settling Parties in respect of the Settled Claims, by all Class Members resident in Canadian jurisdictions where the release of a joint tortfeasor does not result in a release of all joint tortfeasors;

- (d) if a Non-Settling Defendant or any other person or party would have the right to make a claim for contribution and indemnity against any of the Settling Parties in the Class Actions or in any other proceedings:
 - (i) the Plaintiffs and/or Class Members shall not claim or be entitled to recover from the Non-Settling Defendants or any other person that portion of any loss, damages, costs, expense, or other amount awarded that corresponds to the proportionate liability of any of the Settling Parties in relation to the Settled Claims and/or Settled Projects as proven at trial in the Class Actions or in any other proceedings; and
 - (ii) the Court shall have full authority to determine the proportionate liability of the Settling Parties at the trials or other disposition of the Class Actions or other proceedings involving the Settled Projects as if the Settling Parties were parties to the Class Actions or other proceedings and any such finding by the Court in respect of the Settling Parties' proportionate liability in any of the Class Actions or other proceeding in which the liability was determined shall not be binding upon the Settling Parties in any other proceedings.
- 17. The Bar Order to be obtained in each of the Settlement Approval Orders shall specifically bar Olympia Trust Company ("Olympia") from pursuing its Third Party Claim bearing Court file no. CV-20-00643593-0A71 issued October 1, 2021 as against FFM, Kochhar, Perlov and Spadafora, amongst others, in respect of the Settled Claims, in relation to the action Raponi v. Olympia Trust Company issued July 8, 2020 in the Ontario Superior Court of Justice bearing Court file no. CV-20-00643593-00CP (the "Raponi Action"), and bar any future claims which could be asserted by Olympia against the Settling Parties in respect of the Settled Claims.
- 18. For greater certainty, to the extent that the Settling Parties are found to have any liability to any of the Non-Settling Defendants or to Olympia for contribution or indemnity arising from or related to amounts for which the Non-Settling Defendants or Olympia are found liable to any of the Classes in the Class Actions or the Raponi Action, the Class Members' recovery from the Non-Settling Defendants or Olympia shall be reduced by the amount(s) for which the Settling Parties are found liable to the Non-Settling Defendants or Olympia.
- 19. For greater certainty, the Plaintiffs hereby agree to indemnify the Settling Parties and hold them harmless in the event that there is a finding that the Settling Parties are liable to pay any amounts to any Non-Settling Defendant pursuant to any claims brought against them by any Non-Settling Defendant for contribution and indemnity in the Class Actions, or in the event that there is a finding that the Settling Parties, or any of them, are liable to pay any amounts to Olympia in the Third Party Claim by Olympia in the Raponi Action in respect of the Settled Projects.

20. Except as provided herein, this Settlement Agreement does not settle, compromise, release or limit in any way whatsoever any claim by the Class Members against any person other than the Settling Parties.
21. If any one of the following events occurs:
- a. the Settlement Approval Orders are not granted in each of the Class Actions;
 - b. any of the Settlement Approval Orders are reversed or modified on appeal, and remain so after the exhaustion or exercise of all rights of appeal;
- then:
- i. this Settlement Agreement shall be automatically terminated upon the happening thereof, and shall have no further force and effect with respect to the parties, save and except for paragraphs 4, 22, and 23 of this Settlement Agreement, which shall survive termination;
 - ii. all orders made pursuant to this Settlement Agreement shall be null and void, and shall have no further force and effect;
 - iii. this Settlement Agreement shall not be offered in evidence or used in any litigation for any purpose other than to enforce the terms of this Settlement Agreement that survive termination;
 - iv. MSTW shall return the Settlement Fund forthwith to counsel for the Settling Parties, together with all accrued interest; and
 - v. all parties shall be returned to the position they were in immediately before executing this Settlement Agreement.
22. Notwithstanding the forgoing, if the Settlement Agreement is terminated, the out of pocket costs reasonably incurred by Class Counsel to provide notice of the Settlement Approval Hearing to the Class Members, up to a maximum of \$5,000.00, will be paid by the Settling Parties to Class Counsel out of the Settlement Funds before the balance is returned to counsel for the Settling Parties.
23. The Plaintiffs hereby acknowledge that this Settlement Agreement does not constitute any admission whatsoever of liability on the part of any of the Settling Parties and that no liability shall be imputed to the Settling Parties as a result of entering into this Settlement Agreement.
24. The Plaintiffs and the Settling Parties represent and warrant that they have had a reasonable opportunity to review and consider this Settlement Agreement prior to executing it, have had the opportunity to obtain independent legal advice in

respect thereto, and understand the significance of this Settlement Agreement, including their obligations and rights hereunder, and they are under no incapacity of any nature at the time that it was executed and explained to them. The Settling Parties acknowledge that Class Counsel have not provided them with legal advice.

25. Class Counsel warrants that they are fully authorized to execute this Settlement Agreement on behalf of the Plaintiffs and to execute and legally bind the Plaintiffs to this Settlement Agreement.
26. Any disputes or controversies arising with respect to the interpretation, enforcement, or implementation of this Settlement Agreement must be made by application to the Court.
27. This Settlement Agreement shall be construed under and governed by the laws of the Province of Ontario.
28. This Settlement Agreement may be executed either by original signature, or electronically, including by PDF signature attached to an e-mail, or by facsimile signature, and may be executed by the parties in one or more counterparts, each of which when so executed and delivered, shall be an original and such counterparts shall together constitute one and the same instrument, notwithstanding their date of actual execution.

29. **THIS COURT ORDERS** that, for greater certainty, this Order does not preclude the Settlement Class from continuing this action against any Non-Settling Defendant or named or unnamed alleged co-conspirators that are not Releasees, or the continuation of the claims asserted in this action on an individual basis or otherwise against any Non-Settling Defendant or named or unnamed co-conspirator that is not a Releasee, nor does it preclude continuing the action *Raponi v. unnamed alleged co-conspirator, or other party in those proceedings, or against Olympia Trust Company in the *Raponi v. Olympia Trust Company* action.

30. **THIS COURT ORDERS** that, in the event of any claim by any Non-Settling Defendant, named or unnamed alleged co-conspirator, or other person for contribution and indemnity or other claim over against any Releasee, whether in equity or in law, by statute or otherwise or if, in the absence of this Order, any Non-Settling Defendant, named or unnamed alleged co-conspirator, or other person made or could have made a claim for contribution, indemnity or other claim over from or against any Releasee, whether in equity or in law, by statute or otherwise:

- (c) this Court shall have full authority to determine the liability and the proportionate liability of the Releasees at the trial or other disposition of this action and at the trial of the *Raponi v. Olympia Trust Company* action, whether or not the Releasees remain in such action or appear at the trial or other disposition of such action, and the liability and the proportionate liability of the Releasees shall be determined as if the Releasees are parties to such action and any determination by this Court in respect of the proportionate liability of the Releasees shall only apply in this action, or in the *Raponi v. Olympia Trust Company* action, as the case may be, and shall not be binding on the Releasees in any other proceeding.

31. **THIS COURT ORDERS** that nothing in this Order is intended to or shall limit, restrict or affect any arguments which any Non-Settling Defendant, named or unnamed alleged co-conspirator or other person, including Olympia Trust Company in the *Raponi v. Olympia Trust Company* action, may make regarding the reduction of any assessment of damages (including punitive damages, if any), restitutionary award, disgorgement of profits, interest and costs or judgment against them in favour of the Settlement Class Members in this action or in the *Raponi*

33. **THIS COURT ORDERS** that nothing in this Order shall preclude Olympia Trust Company from bringing a motion in the *Raponi v. Olympia Trust Company* action seeking to conduct pre-trial documentary and oral discovery of any Releasee in respect of the facts surrounding the Released Claims and/or to compel any Releasee to appear at the trial in that proceeding pursuant to Rule 53.04 of the Ontario *Rules of Civil Procedure* as if the Releasee was a third party in that proceeding in respect of the Released Claims, and the obligations of the Releasees to retain and preserve copies of any relevant documents relating to the Released Claims shall continue as though they remained parties to the Third Party Claims issued in the *Raponi v. Olympia Trust Company* action in respect of the Released Claims.

successors, beneficiaries or assigns for any matter in any way relating to the implementation of this Order or the Settlement Agreement, except with leave of this Court.

19. **THIS COURT ORDERS** that this Order, including but not limited to the certification of this action as against the Settling Defendants for settlement purposes only, the definition of the Settlement Class, and the certified Common Issues, and any reasons given by the Court in connection with this Order, is without prejudice to the rights and defences of the Non-Settling Defendants in connection with this action and, without restricting the generality of the foregoing, may not be relied on by any person to establish the criteria for certification (including class definition) or the existence or elements of the causes of action asserted in the action, as against the Non-Settling Defendants.

20. **THIS COURT ORDERS** that this Order, including the Settlement Agreement, is binding upon the Settling Defendants in accordance with the terms hereof, and upon each member of the Settlement Class who does not validly opt out of this action, including those persons who are minors or mentally incapable, and that the requirements of Rules 7.04(1) and 7.08(4) of the *Rules of Civil Procedure*, RRO 1990, Reg. 194 are dispensed with in respect of the action.

21. **THIS COURT ORDERS** that the Settlement Agreement is fair, reasonable and in the best interests of the Settlement Class.

23. **THIS COURT ORDERS** that, on the date on which any appeal of this Order is finally disposed of, or the time to bring any appeal of this Order, if any, has expired (the "Effective Date") each Settlement Class Member and any of their past and current successors, heirs, executors, administrators, trustees, or assigns ("Releasors") releases and shall be conclusively deemed to have forever and absolutely released the Settling Defendants and their respective past and current officers, directors, employees (including individuals or personal corporations retained by FFM under personal service contracts), parents, subsidiaries, agents, partners, associates, representatives, predecessors, successors, insurers, beneficiaries and assigns ("Releasees") from any and all claims, demands, actions, suits, or causes of action that have been brought or which could have been brought against the Settling Defendants in this action, whether known or unknown, asserted or unasserted, under or pursuant to any statute, regulation, common law or equity, and inclusive of all claims for damages, punitive damages, loss, disgorgement of profit, restitution, interest, taxes, costs, disbursements, legal fees, and expenses arising out of or relating in any way to the facts and matters that are the subject of this action (the "Released Claims").

24. **THIS COURT ORDERS** that, upon the Effective Date, each Releasor shall not now or hereafter institute, continue, maintain, intervene in or assert, either directly or indirectly, whether in Canada or elsewhere, on their own behalf or on behalf of any class or any other person, any proceeding, cause of action, claim or demand of any nature whatsoever against any Releasee, or against any other person who may claim contribution or indemnity or other claims over relief from any Releasee, arising out of, in respect of or relating in any way to any Released Claim, and all such claims are hereby forever barred, prohibited and enjoined.

25. **THIS COURT ORDERS** that the use of the terms "Releasors" and "Released Claims" in this Order does not constitute a release of claims by those members of the Settlement Class who

are resident in any province or territory where the release of one tortfeasor is a release of all tortfeasors.

26. **THIS COURT ORDERS** that all claims for contribution, indemnity or other claims over, whether asserted, unasserted, or asserted in a representative capacity, inclusive of interest, taxes and costs, relating to or arising from the Released Claims, which were or could have been brought in this action or any other actions, or otherwise by any Non-Settling Defendant, any named or unnamed co-conspirator that is not a Releasee or by any other person or party against a Releasee, including Olympia Trust Company ("Olympia"), or by a Releasee against any Non-Settling Defendant or any named or unnamed co-conspirator that is not a Releasee or any other person or party, are barred, prohibited and enjoined in accordance with the terms of this Order (unless such claim is made in respect of a claim by a person who has validly opted out of the action).

27. **THIS COURT ORDERS** that, for greater certainty, the claims made by Olympia Trust Company as against the Settling Defendants in respect of the Collier Centre Project in its Third Party Claim issued October 1, 2021 in the *Raponi v. Olympia Trust Company* action, bearing Court File No. CV-20-006453593-0A71, and all future claims which could be asserted by Olympia against the Settling Defendants arising out of or relating to the Collier Centre Project are forever barred, prohibited and enjoined.

28. **THIS COURT ORDERS** that, for greater certainty, all claims of the Settlement Class members of any nature whatsoever arising out of or relating in any way to the professional services provided by, or any actions or omissions of the Settling Defendants relating to or arising from the syndicated mortgage loans that are the subject of this action, and which could have been brought in this action or in a separate proceeding are barred, prohibited and enjoined.

29. **THIS COURT ORDERS** that, for greater certainty, this Order does not preclude the Settlement Class from continuing this action against any Non-Settling Defendant or named or unnamed alleged co-conspirators that are not Releasees, or the continuation of the claims asserted in this action on an individual basis or otherwise against any Non-Settling Defendant or named or unnamed co-conspirator that is not a Releasee, nor continuing the action *Raponi v. Olympia Trust Company*, Court file No. CV-20-00643593-00CP, provided that no relief is sought against any Non-Settling Defendant, named or unnamed alleged co-conspirator, or other party in those proceedings for or arising from any Released Claims.

30. **THIS COURT ORDERS** that, if this Court ultimately determines that a claim by any Non-Settling Defendant, named or unnamed alleged co-conspirator, or other person for contribution and indemnity or other claim over against any Releasee, whether in equity or in law, by statute or otherwise, is a legally recognized claim:

- (a) the Plaintiff and Settlement Class Members shall not be entitled to claim or recover from any Non-Settling Defendant, named or unnamed alleged co-conspirator or other person that portion of any damages (including punitive damages, if any), restitutionary award, disgorgement of profits, interest and costs that corresponds to the proportionate liability of the Releasees proven at trial or otherwise;
- (b) the Plaintiff and Settlement Class Members shall limit their claims against any Non-Settling Defendant, named or unnamed alleged co-conspirator or other person to include only, and shall only seek to recover from any Non-Settling Defendant, named or unnamed alleged co-conspirator or other person, such claims for damages (including punitive damages, if any), restitutionary award, disgorgement of profits, interest and costs attributable to the aggregate of the several liability of each Non-

Settling Defendant, named or unnamed alleged co-conspirator or other person to the Plaintiff and Settlement Class Members, if any, and, for greater certainty, the Settlement Class Members shall be entitled to claim and seek to recover on a joint and several basis as between each Non-Settling Defendant(s), named or unnamed alleged co-conspirator and/or any other person or party that is not a Releasee, if any, if permitted by law; and

- (c) this Court shall have full authority to determine the proportionate liability of the Releasees at the trial or other disposition of this action, whether or not the Releasees remain in the action or appear at the trial or other disposition, and the proportionate liability of the Releasees shall be determined as if the Releasees are parties to the action and any determination by this Court in respect of the proportionate liability of the Releasees shall only apply in this action and shall not be binding on the Releasees in any other proceeding.

31. **THIS COURT ORDERS** that nothing in this Order is intended to or shall limit, restrict or affect any arguments which any Non-Settling Defendant, named or unnamed alleged co-conspirator or other person may make regarding the reduction of any assessment of damages (including punitive damages, if any), restitutionary award, disgorgement of profits, interest and costs or judgment against them in favour of the Settlement Class Members in the action or the rights of the Plaintiff and the Settlement Class Members to oppose or resist any such arguments, except as provided for in this Order.

32. **THIS COURT ORDERS** that, for greater certainty, to the extent that the Settling Defendants are found to have any liability to any of the Non-Settling Defendants, named or unnamed alleged co-conspirator or other person for contribution or indemnity arising from or

related to amounts for which the Non-Settling Defendants, named or unnamed alleged co-conspirator or other person are found liable to the Class, the Class Members' recovery from the Non-Settling Defendants, named or unnamed alleged co-conspirator or other person shall be reduced by the amount(s) for which the Settling Defendants are found liable to the Non-Settling Defendants, named or unnamed alleged co-conspirator or other person.

33. **THIS COURT ORDERS** that, for purposes of administration and enforcement of the Settlement Agreement and this Order, this Court will retain an ongoing supervisory role and the Settling Defendants acknowledge and attorn to the jurisdiction of this Court solely for the purpose of implementing, administering and enforcing the Settlement Agreement and this Order, and subject to the terms and conditions set out in the Settlement Agreement and this Order.

34. **THIS COURT ORDERS** that, without further order of the Court, the parties to the Settlement Agreement may agree to reasonable extensions of time to carry out any of the provisions of the Settlement Agreement.

35. **THIS COURT ORDERS** that, except as provided herein, this Order does not affect any claims or causes of action that any members of the Settlement Class have or may have in the action against any Non-Settling Defendant(s) or named or unnamed co-conspirators who are not Releasees.

36. **THIS COURT ORDERS** that, other than that which has been provided in the Settlement Agreement, no Releasee shall have any responsibility or liability whatsoever relating to the administration of the Settlement Agreement.

37. **THIS COURT ORDERS** that, no later than 90 days from the date of this Order, Spadafora and Perlov, on their own behalf, and Krish Kochhar (“Kochhar”) on behalf of FFM, shall produce to Class Counsel all documents currently in the possession of their counsel that are relevant to the matters at issue in this action, in their original format as received by counsel, and shall confirm and warrant that those documents are all the non-privileged documents in their possession, control or power that are relevant to the matters at issue in this action.

38. **THIS COURT ORDERS** that the Plaintiffs shall provide to the Non-Settling Defendants a copy of all documents produced to the Plaintiffs by the Settling Defendants in accordance with the Plaintiffs’ production obligations.

39. **THIS COURT ORDERS** that Spadafora and Perlov, on their own behalf, and Kochhar on behalf of FFM, will attend before an official examiner in Toronto, Ontario to be examined under oath by Class Counsel and the Non-Settling Defendants on a date to be agreed upon between the parties, but which shall take place no later than 150 days after this Order and the Settling Parties have delivered their documents to the Plaintiffs, whichever is later, unless the parties to this action, including Spadafora, Perlov and Kochhar, agree otherwise. Spadafora and Perlov will attend to answer questions regarding their personal knowledge about, and involvement in the matters in issue in this action.

40. **THIS COURT ORDERS** that the Plaintiffs and Non-Settling Defendants will be entitled to read into the record at trial the Settling Defendants’ discovery evidence as though the Settling Defendants remained parties to this action.

successors, beneficiaries or assigns for any matter in any way relating to the implementation of this Order or the Settlement Agreement, except with leave of this Court.

19. **THIS COURT ORDERS** that this Order, including but not limited to the certification of this action as against the Settling Defendants for settlement purposes only, the definition of the Settlement Class, and the certified Common Issues, and any reasons given by the Court in connection with this Order, is without prejudice to the rights and defences of the Non-Settling Defendants in connection with this action and, without restricting the generality of the foregoing, may not be relied on by any person to establish the criteria for certification (including class definition) or the existence or elements of the causes of action asserted in the action, as against the Non-Settling Defendants.

20. **THIS COURT ORDERS** that this Order, including the Settlement Agreement, is binding upon the Settling Defendants in accordance with the terms hereof, and upon each member of the Settlement Class who does not validly opt out of this action, including those persons who are minors or mentally incapable, and that the requirements of Rules 7.04(1) and 7.08(4) of the *Rules of Civil Procedure*, RRO 1990, Reg 194 are dispensed with in respect of the action.

21. **THIS COURT ORDERS** that the Settlement Agreement is fair, reasonable and in the best interests of the Settlement Class.

22. **THIS COURT ORDERS** that the Settlement Agreement is hereby approved pursuant to s. 27.1 of the *Class Proceedings Act, 1992*, SO 1992, c 6, and shall be implemented and enforced in accordance with its terms.

23. **THIS COURT ORDERS** that, on the date on which any appeal of this Order is finally disposed of, or the time to bring any appeal of this Order, if any, has expired (the "Effective Date") each Settlement Class Member and any of their past and current successors, heirs, executors, administrators, trustees, or assigns ("Releasers") releases and shall be conclusively deemed to have forever and absolutely released the Settling Defendants and their respective past and current officers, directors, employees (including individuals or personal corporations retained by FFM under personal service contracts), parents, subsidiaries, agents, partners, associates, representatives, predecessors, successors, insurers, beneficiaries and assigns ("Releasees") from any and all claims, demands, actions, suits, or causes of action that have been brought or which could have been brought against the Settling Defendants in this action, whether known or unknown, asserted or unasserted, under or pursuant to any statute, regulation, common law or equity, and inclusive of all claims for damages, punitive damages, loss, disgorgement of profit, restitution, interest, taxes, costs, disbursements, legal fees, and expenses arising out of or relating in any way to the facts and matters that are the subject of this action (the "Released Claims").

24. **THIS COURT ORDERS** that, upon the Effective Date, each Releaser shall not now or hereafter institute, continue, maintain, intervene in or assert, either directly or indirectly, whether in Canada or elsewhere, on their own behalf or on behalf of any class or any other person, any proceeding, cause of action, claim or demand of any nature whatsoever against any Releasee, or against any other person who may claim contribution or indemnity or other claims over relief from any Releasee, arising out of, in respect of or relating in any way to any Released Claim, and all such claims are hereby forever barred, prohibited and enjoined.

25. **THIS COURT ORDERS** that the use of the terms "Releasers" and "Released Claims" in this Order does not constitute a release of claims by those members of the Settlement Class who

are resident in any province or territory where the release of one tortfeasor is a release of all tortfeasors.

26. **THIS COURT ORDERS** that all claims for contribution, indemnity or other claims over, whether asserted, unasserted, or asserted in a representative capacity, inclusive of interest, taxes and costs, relating to or arising from the Released Claims, which were or could have been brought in this action or any other actions, or otherwise by any Non-Settling Defendant, any named or unnamed co-conspirator that is not a Releasee or by any other person or party against a Releasee, including Olympia Trust Company (“Olympia”), or by a Releasee against any Non-Settling Defendant or any named or unnamed co-conspirator that is not a Releasee or any other person or party, are barred, prohibited and enjoined in accordance with the terms of this Order (unless such claim is made in respect of a claim by a person who has validly opted out of the action).

27. **THIS COURT ORDERS** that, for greater certainty, the claims made by Olympia Trust Company as against the Settling Defendants in respect of the Sutton/The Link Project in its Third Party Claim issued October 1, 2021 in the *Raponi v. Olympia Trust Company* action, bearing Court File No. CV-20-006453593-0A71, and all future claims which could be asserted by Olympia against the Settling Defendants arising out of or relating to the Sutton/The Link Project are forever barred, prohibited and enjoined.

28. **THIS COURT ORDERS** that, for greater certainty, all claims of the Settlement Class members of any nature whatsoever arising out of or relating in any way to the professional services provided by, or any actions or omissions of the Settling Defendants relating to or arising from the syndicated mortgage loans that are the subject of this action, and which could have been brought in this action or in a separate proceeding are barred, prohibited and enjoined.

29. **THIS COURT ORDERS** that, for greater certainty, this Order does not preclude the Settlement Class from continuing this action against any Non-Settling Defendant or named or unnamed alleged co-conspirators that are not Releasees, or the continuation of the claims asserted in this action on an individual basis or otherwise against any Non-Settling Defendant or named or unnamed co-conspirator that is not a Releasee, nor continuing the action *Raponi v. Olympia Trust Company*, Court file No. CV-20-00643593-00CP, provided that no relief is sought against any Non-Settling Defendant, named or unnamed alleged co-conspirator, or other party in those proceedings for or arising from any Released Claims.

30. **THIS COURT ORDERS** that, if this Court ultimately determines that a claim by any Non-Settling Defendant, named or unnamed alleged co-conspirator, or other person for contribution and indemnity or other claim over against any Releasee, whether in equity or in law, by statute or otherwise, is a legally recognized claim:

- (a) the Plaintiff and Settlement Class Members shall not be entitled to claim or recover from any Non-Settling Defendant, named or unnamed alleged co-conspirator or other person that portion of any damages (including punitive damages, if any), restitutionary award, disgorgement of profits, interest and costs that corresponds to the proportionate liability of the Releasees proven at trial or otherwise;
- (b) the Plaintiff and Settlement Class Members shall limit their claims against any Non-Settling Defendant, named or unnamed alleged co-conspirator or other person to include only, and shall only seek to recover from any Non-Settling Defendant, named or unnamed alleged co-conspirator or other person, such claims for damages (including punitive damages, if any), restitutionary award, disgorgement of profits, interest and costs attributable to the aggregate of the several liability of each Non-

Settling Defendant, named or unnamed alleged co-conspirator or other person to the Plaintiff and Settlement Class Members, if any, and, for greater certainty, the Settlement Class Members shall be entitled to claim and seek to recover on a joint and several basis as between each Non-Settling Defendant(s), named or unnamed alleged co-conspirator and/or any other person or party that is not a Releasee, if any, if permitted by law; and

- (c) this Court shall have full authority to determine the proportionate liability of the Releasees at the trial or other disposition of this action, whether or not the Releasees remain in the action or appear at the trial or other disposition, and the proportionate liability of the Releasees shall be determined as if the Releasees are parties to the action and any determination by this Court in respect of the proportionate liability of the Releasees shall only apply in this action and shall not be binding on the Releasees in any other proceeding.

31. **THIS COURT ORDERS** that nothing in this Order is intended to or shall limit, restrict or affect any arguments which any Non-Settling Defendant, named or unnamed alleged co-conspirator or other person may make regarding the reduction of any assessment of damages (including punitive damages, if any), restitutionary award, disgorgement of profits, interest and costs or judgment against them in favour of the Settlement Class Members in the action or the rights of the Plaintiff and the Settlement Class Members to oppose or resist any such arguments, except as provided for in this Order.

32. **THIS COURT ORDERS** that, for greater certainty, to the extent that the Settling Defendants are found to have any liability to any of the Non-Settling Defendants, named or unnamed alleged co-conspirator or other person for contribution or indemnity arising from or

related to amounts for which the Non-Settling Defendants, named or unnamed alleged co-conspirator or other person are found liable to the Class, the Class Members' recovery from the Non-Settling Defendants, named or unnamed alleged co-conspirator or other person shall be reduced by the amount(s) for which the Settling Defendants are found liable to the Non-Settling Defendants, named or unnamed alleged co-conspirator or other person.

33. **THIS COURT ORDERS** that, for purposes of administration and enforcement of the Settlement Agreement and this Order, this Court will retain an ongoing supervisory role and the Settling Defendants acknowledge and attorn to the jurisdiction of this Court solely for the purpose of implementing, administering and enforcing the Settlement Agreement and this Order, and subject to the terms and conditions set out in the Settlement Agreement and this Order.

34. **THIS COURT ORDERS** that, without further order of the Court, the parties to the Settlement Agreement may agree to reasonable extensions of time to carry out any of the provisions of the Settlement Agreement.

35. **THIS COURT ORDERS** that, except as provided herein, this Order does not affect any claims or causes of action that any members of the Settlement Class have or may have in the action against any Non-Settling Defendant(s) or named or unnamed co-conspirators who are not Releasees.

36. **THIS COURT ORDERS** that, other than that which has been provided in the Settlement Agreement, no Releasee shall have any responsibility or liability whatsoever relating to the administration of the Settlement Agreement.

37. **THIS COURT ORDERS** that, no later than 90 days from the date of this Order, Spadafora and Perlov, on their own behalf, and Krish Kochhar (“Kochhar”) on behalf of FFM, shall produce to Class Counsel all documents currently in the possession of their counsel that are relevant to the matters at issue in this action, in their original format as received by counsel, and shall confirm and warrant that those documents are all the non-privileged documents in their possession, control or power that are relevant to the matters at issue in this action.

38. **THIS COURT ORDERS** that the Plaintiffs shall provide to the Non-Settling Defendants a copy of all documents produced to the Plaintiffs by the Settling Defendants in accordance with the Plaintiffs’ production obligations.

39. **THIS COURT ORDERS** that Spadafora and Perlov, on their own behalf, and Kochhar on behalf of FFM, will attend before an official examiner in Toronto, Ontario to be examined under oath by Class Counsel and the Non-Settling Defendants on a date to be agreed upon between the parties, but which shall take place no later than 150 days after this Order, and the Settling Parties have delivered their documents to the Plaintiffs, whichever is later, unless the parties to this action, including Spadafora, Perlov and Kochhar, agree otherwise. Spadafora and Perlov will attend to answer questions regarding their personal knowledge about, and involvement in the matters in issue in this action.

40. **THIS COURT ORDERS** that the Plaintiffs and Non-Settling Defendants will be entitled to read into the record at trial the Settling Defendants’ discovery evidence as though the Settling Defendants remained parties to this action.

41. **THIS COURT ORDERS** that, in the event that the Settlement Agreement is terminated in accordance with its terms or otherwise fails to take effect for any reason, this Order shall be

declared null and void and of no force or effect without the need for any further order of this Court but with notice to the Class.

42. **THIS COURT ORDERS** that, upon the Effective Date, this action is hereby dismissed as against all Settling Defendants, without costs and with prejudice.

43. **THIS COURT ORDERS** that there shall be no costs of this motion.

successors, beneficiaries or assigns for any matter in any way relating to the implementation of this Order or the Settlement Agreement, except with leave of this Court.

19. **THIS COURT ORDERS** that this Order, including but not limited to the certification of this action as against the Settling Defendants for settlement purposes only, the definition of the Settlement Class, and the certified Common Issues, and any reasons given by the Court in connection with this Order, is without prejudice to the rights and defences of the Non-Settling Defendants in connection with this action and, without restricting the generality of the foregoing, may not be relied on by any person to establish the criteria for certification (including class definition) or the existence or elements of the causes of action asserted in this action, as against the Non-Settling Defendants.

20. **THIS COURT ORDERS** that this Order, including the Settlement Agreement, is binding upon the Settling Defendants in accordance with the terms hereof, and upon each member of the Settlement Class who does not validly opt out of this action, including those persons who are minors or mentally incapable, and that the requirements of Rules 7.04(1) and 7.08(4) of the *Rules of Civil Procedure*, RRO 1990, Reg 194 are dispensed with in respect of this action.

21. **THIS COURT ORDERS** that the Settlement Agreement is fair, reasonable and in the best interests of the Settlement Class.

22. **THIS COURT ORDERS** that the Settlement Agreement is hereby approved pursuant to s. 27.1 of the *Class Proceedings Act, 1992*, SO 1992, c 6, and shall be implemented and enforced in accordance with its terms.

23. **THIS COURT ORDERS** that, on the date on which any appeal of this Order is finally disposed of, or the time to bring any appeal of this Order, if any, has expired (the "Effective Date") each Settlement Class Member and any of their past and current successors, heirs, executors, administrators, trustees, or assigns ("Releasors") releases and shall be conclusively deemed to have forever and absolutely released the Settling Defendants and their respective past and current officers, directors, employees (including individuals or personal corporations retained by FFM under personal service contracts), parents, subsidiaries, agents, partners, associates, representatives, predecessors, successors, insurers, beneficiaries and assigns ("Releasees") from any and all claims, demands, actions, suits, or causes of action that have been brought or which could have been brought against the Settling Defendants in this action, whether known or unknown, asserted or unasserted, under or pursuant to any statute, regulation, common law or equity, and inclusive of all claims for damages, punitive damages, loss, disgorgement of profit, restitution, interest, taxes, costs, disbursements, legal fees, and expenses arising out of or relating in any way to the facts and matters that are the subject of this action (the "Released Claims").

24. **THIS COURT ORDERS** that, upon the Effective Date, each Releasor shall not now or hereafter institute, continue, maintain, intervene in or assert, either directly or indirectly, whether in Canada or elsewhere, on their own behalf or on behalf of any class or any other person, any proceeding, cause of action, claim or demand of any nature whatsoever against any Releasee, or against any other person who may claim contribution or indemnity or other claims over relief from any Releasee, arising out of, in respect of or relating in any way to any Released Claim, and all such claims are hereby forever barred, prohibited and enjoined.

25. **THIS COURT ORDERS** that the use of the terms "Releasors" and "Released Claims" in this Order does not constitute a release of claims by those members of the Settlement Class who

are resident in any province or territory where the release of one tortfeasor is a release of all tortfeasors.

26. **THIS COURT ORDERS** that all claims for contribution, indemnity or other claims over, whether asserted, unasserted, or asserted in a representative capacity, inclusive of interest, taxes and costs, relating to or arising from the Released Claims, which were or could have been brought in this action or any other actions, or otherwise by any Non-Settling Defendant, any named or unnamed co-conspirator that is not a Releasee or by any other person or party against a Releasee, including Olympia Trust Company (“Olympia”), or by a Releasee against any Non-Settling Defendant or any named or unnamed co-conspirator that is not a Releasee or any other person or party, are barred, prohibited and enjoined in accordance with the terms of this Order (unless such claim is made in respect of a claim by a person who has validly opted out of the action).

27. **THIS COURT ORDERS** that, for greater certainty, the claims made by Olympia Trust Company as against the Settling Defendants in respect of the Orchard Project in its Third Party Claim issued October 1, 2021 in the *Raponi v. Olympia Trust Company* action, bearing Court File No. CV-20-006453593-0A71, and all future claims which could be asserted by Olympia against the Settling Defendants arising out of or relating to the Orchard Project are forever barred, prohibited and enjoined.

28. **THIS COURT ORDERS** that, for greater certainty, all claims of the Settlement Class members of any nature whatsoever arising out of or relating in any way to the professional services provided by, or any actions or omissions of the Settling Defendants relating to or arising from the syndicated mortgage loans that are the subject of this action, and which could have been brought in this action or in a separate proceeding are barred, prohibited and enjoined.

29. **THIS COURT ORDERS** that, for greater certainty, this Order does not preclude the Settlement Class from continuing this action against any Non-Settling Defendant or named or unnamed alleged co-conspirators that are not Releasees, or the continuation of the claims asserted in this action on an individual basis or otherwise against any Non-Settling Defendant or named or unnamed co-conspirator that is not a Releasee, nor continuing the action *Raponi v. Olympia Trust Company*, Court file No. CV-20-00643593-00CP, provided that no relief is sought against any Non-Settling Defendant, named or unnamed alleged co-conspirator, or other party in those proceedings for or arising from any Released Claims.

30. **THIS COURT ORDERS** that, if this Court ultimately determines that a claim by any Non-Settling Defendant, named or unnamed alleged co-conspirator, or other person for contribution and indemnity or other claim over against any Releasee, whether in equity or in law, by statute or otherwise, is a legally recognized claim:

- (a) the Plaintiff and Settlement Class Members shall not be entitled to claim or recover from any Non-Settling Defendant, named or unnamed alleged co-conspirator or other person that portion of any damages (including punitive damages, if any), restitutionary award, disgorgement of profits, interest and costs that corresponds to the proportionate liability of the Releasees proven at trial or otherwise;
- (b) the Plaintiff and Settlement Class Members shall limit their claims against any Non-Settling Defendant, named or unnamed alleged co-conspirator or other person to include only, and shall only seek to recover from any Non-Settling Defendant, named or unnamed alleged co-conspirator or other person, such claims for damages (including punitive damages, if any), restitutionary award, disgorgement of profits, interest and costs attributable to the aggregate of the several liability of each Non-

Settling Defendant, named or unnamed alleged co-conspirator or other person to the Plaintiff and Settlement Class Members, if any, and, for greater certainty, the Settlement Class Members shall be entitled to claim and seek to recover on a joint and several basis as between each Non-Settling Defendant(s), named or unnamed alleged co-conspirator and/or any other person or party that is not a Releasee, if any, if permitted by law; and

- (c) this Court shall have full authority to determine the proportionate liability of the Releasees at the trial or other disposition of this action, whether or not the Releasees remain in the action or appear at the trial or other disposition, and the proportionate liability of the Releasees shall be determined as if the Releasees are parties to the action and any determination by this Court in respect of the proportionate liability of the Releasees shall only apply in this action and shall not be binding on the Releasees in any other proceeding.

31. **THIS COURT ORDERS** that nothing in this Order is intended to or shall limit, restrict or affect any arguments which any Non-Settling Defendant, named or unnamed alleged co-conspirator or other person may make regarding the reduction of any assessment of damages (including punitive damages, if any), restitutionary award, disgorgement of profits, interest and costs or judgment against them in favour of the Settlement Class Members in the action or the rights of the Plaintiff and the Settlement Class Members to oppose or resist any such arguments, except as provided for in this Order.

32. **THIS COURT ORDERS** that, for greater certainty, to the extent that the Settling Defendants are found to have any liability to any of the Non-Settling Defendants, named or unnamed alleged co-conspirator or other person for contribution or indemnity arising from or

related to amounts for which the Non-Settling Defendants, named or unnamed alleged co-conspirator or other person are found liable to the Class, the Class Members' recovery from the Non-Settling Defendants, named or unnamed alleged co-conspirator or other person shall be reduced by the amount(s) for which the Settling Defendants are found liable to the Non-Settling Defendants, named or unnamed alleged co-conspirator or other person.

33. **THIS COURT ORDERS** that, for purposes of administration and enforcement of the Settlement Agreement and this Order, this Court will retain an ongoing supervisory role and the Settling Defendants acknowledge and attorn to the jurisdiction of this Court solely for the purpose of implementing, administering and enforcing the Settlement Agreement and this Order, and subject to the terms and conditions set out in the Settlement Agreement and this Order.

34. **THIS COURT ORDERS** that, without further order of the Court, the parties to the Settlement Agreement may agree to reasonable extensions of time to carry out any of the provisions of the Settlement Agreement.

35. **THIS COURT ORDERS** that, except as provided herein, this Order does not affect any claims or causes of action that any members of the Settlement Class have or may have in the action against any Non-Settling Defendant(s) or named or unnamed co-conspirators who are not Releasees.

36. **THIS COURT ORDERS** that, other than that which has been provided in the Settlement Agreement, no Releasee shall have any responsibility or liability whatsoever relating to the administration of the Settlement Agreement.

37. **THIS COURT ORDERS** that, no later than 90 days from the date of this Order, Spadafora on her own behalf, and Krish Kochhar (“Kochhar”) on behalf of FFM, shall produce to Class Counsel all documents currently in the possession of their counsel that are relevant to the matters at issue in this action, in their original format as received by counsel, and shall confirm and warrant that those documents are all the non-privileged documents in their possession, control or power that are relevant to the matters at issue in this action.

38. **THIS COURT ORDERS** that the Plaintiffs shall provide to the Non-Settling Defendants a copy of all documents produced to the Plaintiffs by the Settling Defendants in accordance with the Plaintiffs’ production obligations.

39. **THIS COURT ORDERS** that Spadafora on her own behalf, and Kochhar on behalf of FFM, will attend before an official examiner in Toronto, Ontario to be examined under oath by Class Counsel and the Non-Settling Defendants on a date to be agreed upon between the parties, but which shall take place no later than 150 days after this Order and the Settling Parties have delivered their documents to the Plaintiffs, whichever is later, unless the parties to this action, including Spadafora and Kochhar, agree otherwise. Spadafora will attend to answer questions regarding her personal knowledge about, and involvement in the matters in issue in this action.

40. **THIS COURT ORDERS** that the Plaintiffs and Non-Settling Defendants will be entitled to read into the record at trial the Settling Defendants’ discovery evidence as though the Settling Defendants remained parties to this action.

41. **THIS COURT ORDERS** that, in the event that the Settlement Agreement is terminated in accordance with its terms or otherwise fails to take effect for any reason, this Order shall be

declared null and void and of no force or effect without the need for any further order of this Court but with notice to the Class.

42. **THIS COURT ORDERS** that this action is hereby dismissed as against all Settling Defendants, without costs and with prejudice.

43. **THIS COURT ORDERS** that there shall be no costs of this motion.

(together, the "Class Actions")

This notice provides you with important information about the Class Actions that you need to be aware of because there are **two important developments** that can impact your legal rights.

1. The Actions have been Certified for Settlement Purposes

The Class Actions brought in respect of each of these Development Projects have been certified as class proceedings as against the Defendants Building & Development Mortgages Canada Inc. (formerly carrying on business as Centro Mortgage Inc.) ("BDMC"), and the Estate of Ildina Galati, deceased, by its Trustee in Bankruptcy Crowe Soberman Inc. ("Galati") (together, the "BDMC Defendants").

The court has also certified the actions involving the Collier Centre, Orchard, and Sutton/The Links Development Projects as against the Defendants FFM Capital Inc., Rosalia Spadafora and Saul Perlov (together, the "FFM Defendants"). [The FFM Defendants were only included as defendants in the actions involving these three Development Projects.]

The BDMC Defendants and the FFM Defendants, together, are referred to as the "Settling Defendants".

2. The Court has Approved Settlements with the BDMC Defendants and the FFM Defendants

The Ontario Superior Court of Justice has approved a settlement with the BDMC Defendants that will fully and finally resolve the Class Members' claims against the BDMC Defendants in all five actions. The BDMC Defendants will pay \$8 million inclusive of all interest, court costs, administrative costs, and legal fees in exchange for a full and final release from the Class.

The Court has also approved a settlement with the FFM Defendants that will fully and finally resolve the Class Members' claims against the FFM Defendants in the Collier Centre, Orchard, and Sutton/The Links actions. The FFM Defendants will pay \$2.375 million inclusive of all interest, court costs, administrative costs, and legal fees in exchange for a full and final release from the Class Members in these three actions.

The Court has approved legal fees payable to Class Counsel of \$2,593,750, which is equal to 25% of each of the settlement funds, plus HST and disbursements. Class Counsel have been retained on a contingency fee basis, and have paid all the expenses related to the actions, and have not been paid for their services since the Class Actions were started in 2016 and 2017.

This Notice only contains a summary of how the certification and settlement of these actions affect you. Go to www.fortressclassaction.ca to review the Long-Form Notice for more details, or contact Class Counsel at the addresses below if you have any questions.

CERTIFICATION OF THE ACTIONS AGAINST THE SETTLING DEFENDANTS

The Court has granted orders certifying the five actions as class proceedings as against the BDMC Defendants, for the purpose of effecting the settlement, and naming the plaintiffs as the representative plaintiffs. The Court has also granted orders certifying the Collier Centre, Orchard, and Sutton/The Link actions as class proceedings as against the FFM Defendants, for the purpose of effecting that settlement.

There are other defendants in each of the five actions that have not settled, and the Class Actions will be continuing against those non-settling defendants.

The Class Members in each of the Class Actions are:

For CV-16-558165-00CP (Collier Centre):

All persons in Canada who invested prior to January 30, 2015 in a syndicated mortgage in respect of the Collier Centre Project No. 1, registered against title to lands located at 90 Collier Street and 55 Mulcaster Street, Barrie, Ontario, as Instrument SC1005953.

You have received this Notice because you have been identified by FAAN, the mortgage administrator, as a Class Member in one or more of these Class Actions.

What the Class Actions Are About

In each of the five Class Actions, the Plaintiffs assert claims against the Settling Defendants for breach of contract, negligence, negligent misrepresentation, fraudulent misrepresentation, and conspiracy. The claims seek payment of damages (money) to the Class Members to compensate them for the losses that they have suffered from their investments in the syndicated mortgage loans for each of these Development Projects.

None of the allegations made against the Settling Defendants have been proven in court, and the Settling Defendants deny all the allegations that have been made against them. If a settlement had not been reached, the Settling Defendants would be defending the Class Actions and opposing the certification of these actions as class proceedings. The settlement is a compromise of the parties' positions and is not an admission of liability or fault by the Settling Defendants.

What You Need to Do Now

If you want to remain in the Class Action(s) and participate in the settlement(s), then you do not need to do anything. You are automatically included in the Class Action, if you meet the class definition. Your share of the settlement funds will be calculated by FAAN and distributed to you by it.

If you do not want to be involved in the Class Action(s), and you do not want to be paid a portion of the settlement funds, then you need to "Opt Out" of the Class Action(s).

<p>How to OPT OUT</p>	<p>If you choose to Opt Out of the Class Action(s), then you will not be bound by any Court orders. This means you will get no payments or benefits from the settlements with the Settling Defendants, or any future settlements or trial judgment. This also means you will not be bound to any negative results in respect of the remaining parts of the Class Actions.</p> <p>If you Opt Out, you keep the right to sue any of the Settling Defendants on your own - however, you should be aware that there are limitation periods and bankruptcy proceedings that apply to your claim, and you should seek legal advice as soon as possible to determine your right to bring an individual action.</p> <p>To Opt Out you must notify Class Counsel in writing by no later than [60 days after the date of the Order].</p> <p>To validly Opt Out you must send an Opt Out Notice that includes:</p> <ul style="list-style-type: none"> • your full name and contact information; • the Development Project(s) in which you invested; • a written statement that says that you do not wish to participate in the Class Action(s), and are choosing to Opt Out; and • your signature or electronic equivalent <p>Opt Out Notices may be sent to Class Counsel by mail, email, fax, or courier to one of the addresses set out below, and must be received, and in the case of Canada Post mail, post-marked, by no later than 5 pm E.T. on [date]</p>

This notice provides you with important information about the Class Actions that you need to be aware of because there are **two important developments** that can impact your legal rights.

1. The Class Actions have been Certified for Settlement Purposes

The Class Actions brought in respect of each of these five Development Projects have been certified as class proceedings as against the Defendants Building & Development Mortgages Canada Inc. (formerly carrying on business as Centro Mortgage Inc.) ("BDMC"), and the Estate of Ildina Galati, deceased, by its Trustee in Bankruptcy Crowe Soberman Inc. ("Galati") (together, the "BDMC Defendants").

The Court has also certified the actions involving the Collier Centre, Orchard, and Sutton/The Link Development Projects as against the Defendants FFM Capital Inc., Rosalia Spadafora and Saul Perlov (together, the "FFM Defendants"). (The FFM Defendants were only sued in the actions involving these three Development Projects.)

The BDMC Defendants and the FFM Defendants, together, are referred to as the "Settling Defendants".

The Class Actions have not been certified as against any of the remaining (Non-Settling) Defendants. A further notice will be sent to you if the Class Actions are certified against the Non-Settling Defendants. The court hearing for the opposed certification motion will be scheduled in 2023.

2. The Court has Approved Settlements with the BDMC Defendants and the FFM Defendants

The Ontario Superior Court of Justice has approved a settlement with the BDMC Defendants that will fully and finally resolve the Class Members' claims against the BDMC Defendants in all five actions. The **BDMC Defendants will pay \$8 million** inclusive of all interest, court costs, administrative costs, and legal fees in exchange for a full and final release from the Class.

The **FFM Defendants will pay \$2.375 million** inclusive of all interest, court costs, administrative costs, and legal fees in exchange for a full and final release from the Class Members in these three actions.

In both Settlements, the Settlement Funds are being paid by the Settling Defendants' insurers. The Court has determined that the Settlements are fair, reasonable and in the best interests of these Classes.

No settlement has been reached with the Non-Settling Defendants. If any future settlement is achieved, you will receive another notice to tell you about that.

What Do I Need to Know?

Please read the following **Part I** and **Part II** to understand how the certification and settlement approval impact your legal rights, including your right to "opt out" of the Class Actions and the Settlements if you do not want to participate in these Class Actions.

If you take no action and do not submit an opt out notice, then you are automatically included as a Class Member in the Class Actions involving the Development Projects in which you invested. You will be bound by all court orders in the Class Action(s) to which you are a Class Member, and you will not have an opportunity to opt out at a later time. As a Class Member you will be unable bring your own lawsuit against any of the Defendants with respect to your investment in the Fortress syndicated mortgage loans that are the subjects of these Class Actions.

If you opt out and exclude yourself from the Class Action(s), you will not participate in the BDMC and FFM Settlements, any future settlements or any trial judgment. If you do decide to opt out, you should be aware that there are limitation periods and bankruptcy proceedings that can impact your ability to recover against the Defendants, and we recommend that you consult with a lawyer to make an informed decision.

You do not have to pay any legal fees out of your own pocket to participate in the Class Action(s). Class Counsel are paid on a contingency fee basis from the Settlement Funds, as explained below. You are also not at risk to pay any court costs. Only the Representative Plaintiffs are liable for any adverse court costs, and Class Counsel has provided them with an indemnity.

Part I: Certification of the Actions Against BDMC and FFM

BASIC INFORMATION

1. What is a Class Action?

A class action is a unique type of lawsuit. It allows many people to sue someone who hurt or injured them in a similar way. For example, in this case the investors in each of the syndicated mortgage loans on each Development Project are called the "Class" and each individual investor is a "Class Member".

Because the number of people in a class can be large, one or more class members act as "representative plaintiffs". These class members chose to bring the action on behalf of everyone who was affected by the defendants. Here, the Representative Plaintiffs are pursuing these Class Actions for the benefit of everyone who invested in a syndicated mortgage loan relating to one or more of the five Development Projects. The lawyers for the Representative Plaintiffs and the Classes are called "Class Counsel".

In a class action, the court decides the issues about what happened and the legal questions that are common to the whole class. These are called "Common Issues", and when they are decided at trial, they are decided for everyone in the class.

2. What is the lawsuit about?

The Representative Plaintiffs in these Class Action are seeking to recover the losses they and the Class Members suffered as a result of their investments in the Fortress syndicated mortgage loans secured on the five Development Projects. The claims do not relate to investors' losses from their investments in any other syndicated mortgage loans on any other developments.

The Defendants in all five of the Class Actions include Fortress Real Capital Inc., Fortress Real Developments Inc., Building & Development Mortgages Canada Inc. (formerly Centro Mortgage Inc.), The Estate of Ildina Galati by its Trustee in Bankruptcy Crowe Soberman Inc., Derek Sorrenti, and Sorrenti Law Professional Corporation.

In the Collier Centre, Sutton/The Link and Orchard Class Actions, the Defendants also include FFM Capital Inc., Rosalia Spadafora and Saul Perlov.

The developers and certain other companies and individuals are also named in the Statements of Claim. The claims allege that all of the Defendants' conduct caused or contributed to the Classes' losses.

3. What are the allegations?

The Class Actions allege that the Class Members suffered investment losses as a result of the misconduct of the Defendants.

The Class Actions raise several different causes of action against the Defendants. The legal terms for these allegations are: violations of statutory duties as per the *Financial Services of Ontario Act*, breach of fiduciary duties, fraudulent and negligent misrepresentations, negligence, conspiracy to injure, and breach of contract.

If you would like to read more, copies of the Statements of Claim can be viewed under the documents tab at: www.fortressclassaction.ca.

4. How do the Defendants respond to these allegations?

None of the Defendants have defended the Class Actions, yet.

None of the allegations made against the Settling Defendants has been proven in court, and the Settling Defendants deny all the allegations that have been made against them. If a settlement had not been reached, the Settling Defendants would be defending the Class Actions and opposing the certification of these actions as class proceedings. The settlement is a compromise of the parties' positions and is not an admission of liability or fault by the Settling Defendants.

5. Has the Court decided who is right?

No decision has been made about whether the Class or the Defendants are right. This will not happen unless the matter goes to trial against the Non-Settling Defendants.

While the Settling Defendants have negotiated Settlements, the Court has not, and will not, decide if any of the Settling Defendants are at fault.

CERTIFICATION INFORMATION

6. Why did I get this Notice?

You received this Notice because, according to the records of BDMC and/or Sorrenti Law, you invested in one or more of the syndicated mortgage loans that are the subject of these Class Actions, and you are, therefore, a Class Member.

The Notice lets you know that the Plaintiffs have reached Settlements with the Settling Defendants.

As part of the Settlements, the Settling Defendants have consented to the actions being certified as class proceedings as against them.

This Notice tells you that the Class Actions have been certified, and the Court has approved the Settlements. It tells you that, unless you decide to exclude yourself from the Class Actions, you will be bound by the Settlements and any by future court orders involving the Class Actions. As part of the Settlements, the Class Members will be

providing full and final releases to the Settling Defendants. They will also be limiting their claims against the Non-Settling Defendants to the Non-Settling Defendants' proportionate share of liability as determined at trial.

If you do not wish to be included in the Class Actions or participate in the Settlements, you have a choice to exclude yourself from the Class Actions ("Opt Out"). The Opt Out process is described, below at #11 on p. 13.

If you Opt Out, you will not be bound by any court decision in the Class Actions, and will not be able to participate in the Settlement. If you Opt Out, you cannot later chose to opt back in, and you will not be able to participate in any future settlements or trial judgments.

7. What is "Certification" and why is it necessary?

In order for the Court to decide if the Settlement Agreement is fair, reasonable, and in the best interests of Class Members, the Court must first decide if the Actions are suitable to be prosecuted as class actions. It must appoint the representative plaintiff(s) to allow the representative(s) to pursue the action on behalf of the Class, and it must decide who the Class Members are. The Court does this through a process called "certification". Without certification, the lawsuits could not be prosecuted for the benefit of the Classes, and each investor would have to make claims for their losses individually.

8. Who is a Class Member?

The Class Members in each of the Class Actions are:

For CV-16-558165-00CP (Collier Centre):

All persons in Canada who invested prior to January 30, 2015 in a syndicated mortgage in respect of the Collier Centre Project No. 1, registered against title to lands located at 90 Collier Street and 55 Mulcaster Street, Barrie, Ontario, as Instrument SC1005953.

9. What are the Common Issues?

The common issues certified as against the BDMC Defendants are:

- i. Did BDMC breach its contracts with the Class members? If so, how?
- ii. Did BDMC owe a fiduciary duty to the Class members, and if so, in what respect? If yes, did BDMC breach its fiduciary duty owed to the Class members, and if so, how?
- iii. Did BDMC and/or Galati owe a duty of care to the Class members with respect to the claims asserted against them in negligence or negligent misrepresentation?
- iv. If BDMC and/or Galati owed a duty of care to the Class members with respect to the claims in negligence or negligent misrepresentation, what was the applicable standard of care for the Settling Parties?
- v. If BDMC and/or Galati owed a duty of care to the Class members with respect to the claim in negligence or negligent misrepresentation, did BDMC and/or Galati breach the applicable standard of care? If so, how?
- vi. Did BDMC make fraudulent misrepresentations to the Class members, and, if so, is BDMC liable to the Class with respect thereto?
- vii. Did BDMC conspire with any one or more of Fortress Real Capital Inc., Fortress Real Developments Inc., Jawad Rathore, Vincenzo Petrozza, or

- others, with the intent to cause harm to the Class members? If so, did the conspiracy cause harm to the Class members?
- viii. Can the Class members' damages be assessed, in whole or in part, in the aggregate, and if so, what is the quantum of their aggregate damages?

The common issues certified as against the FFM Defendants are:

- i. Did FFM breach its contracts with the Class members? If so, how?
- ii. Did FFM owe a fiduciary duty to the Class members, and if so, in what respect? If yes, did FFM breach its fiduciary duty owed to the Class members, and if so, how?
- iii. Did the Settling Parties who are current Defendants owe a duty of care to the Class members with respect to the claims asserted against them in negligence or negligent misrepresentation?
- iv. If the Settling Parties who are current Defendants owed a duty of care to the Class members with respect to the claims in negligence or negligent misrepresentation, what was the applicable standard of care for these Settling Parties?
- v. If the Settling Parties who are current Defendants owed a duty of care to the Class members with respect to the claim in negligence or negligent misrepresentation, did the Settling Parties breach the applicable standard of care? If so, how?
- vi. Did FFM make fraudulent misrepresentations to the Class members, and, if so, is FFM liable to the Class with respect thereto?
- vii. Did FFM conspire with any one or more of Fortress Real Capital Inc., Fortress Real Developments Inc., Jawad Rathore, Vincenzo Petrozza, Building & Development Mortgages Canada Inc., or others, with the intent to cause harm to the Class members? If so, did the conspiracy cause harm to the Class members?
- viii. Can the Class members' damages be assessed, in whole or in part, in the aggregate, and if so, what is the quantum of their aggregate damages?

10. Are there risks involved in being a Class Member?

Class Members are not responsible for any court costs that might be payable to the Non-Settling Defendants. Only the Representative Plaintiffs are at risk for any adverse cost awards, and they are being indemnified by Class Counsel.

Class Members do not have to pay any legal fees out of their own pockets. Class Counsel are working on a contingency fee basis, which means that they are only paid if the Class Action is successful, either through settlements or a trial judgment. Class Counsel's fees are paid from the settlement fund or trial judgment, and must first be approved by the Court.

Class Members cannot sue the Defendants on their own, and they are bound by the Court's decisions in the Class Actions - whether or not they are favourable to the Class.

11. What if I don't want to be involved in the Class Action(s) (Opt Out)?

As the Class Actions have been certified you have an important decision to make about whether or not you wish to be included as a Class Member.

You do not have to do anything to stay in the Class Action(s), but if you do not want to participate in them, and you do not want to receive any of the Settlement Funds, you must take action to Opt Out. If you Opt Out, you will not be bound by any Court orders and you keep your right to sue the Defendants regarding the issues raised in these cases. You cannot change your mind later and opt back into the Class Actions.

<p>OPT OUT Exclude Yourself from the Class Action</p>	<p>If you choose to Opt Out of the Class Action(s), then you will not be bound by any Court orders. This means you will get no payments or benefits from the Settlements with the Settling Defendants, or any future settlements or trial judgment. This also means you will not be bound to any negative results in respect of the remaining parts of the Class Actions.</p> <p>If you Opt Out, you keep the right to sue any of the Defendants on your own - however, you should be aware that there are limitation periods and bankruptcy proceedings that apply to your claim, and you should seek legal advice as soon as possible to determine your right to bring an individual action.</p> <p>To Opt Out you must notify Class Counsel in writing by no later than [60 days after the date of the Order].</p>
--	--

	<p>To validly Opt Out you must send an Opt Out Notice that includes:</p> <ul style="list-style-type: none"> • your full name and contact information; • the Development Project(s) in which you invested; • a written statement that says that you do not wish to participate in the Class Action(s), and are choosing to Opt Out; and • your signature or electronic equivalent <p>Opt Out Notices may be sent to Class Counsel by mail, email, fax, or courier to one of the addresses set out below on p. 16, and must be received, and in the case of Canada Post mail, post-marked, by no later than 5 pm E.T. on [date]</p>
--	---

12. What happens if I do nothing?

Once the Opt Out period has expired, FAAN Mortgage Administration Inc. will distribute the net Settlement Funds to the Class Members in each Class Action in accordance with a distribution plan approved by the Court as part of the Settlement Approval. The net Settlement Funds is that amount of the Settlement Funds that remains after deduction of the court-approved Class Counsel legal fees and disbursements, the costs of delivering the Notices, and the Settlement administration costs.

As a Class Member, you will be legally bound by all Court orders and judgments, including a release to be granted in favour of the Settling Defendants. You will not be able to sue any of the Defendants on your own with respect to your syndicated mortgage loan investment losses.

Part II: Approval of the Settlements with BDMC and FFM

13. What are the terms of the Settlement Agreements?

The Ontario Superior Court of Justice has approved a settlement with the BDMC Defendants that will fully and finally resolve the Class Members' claims against the BDMC Defendants in all five Class Actions. The BDMC Defendants will pay \$8 million inclusive of all interest, court costs, administrative costs, and legal fees in exchange for a full and final release from the Class.

BDMC no longer carries on business. Its mortgage administration and trustee services are being operated by FAAN under a court order. Ms. Galati has died, and her Estate is bankrupt. However, BDMC did have a policy of insurance that responded to the Class Actions, and the BDMC Settlement Funds are being paid by BDMC's insurer.

The Court has also approved a settlement with the FFM Defendants that will fully and finally resolve the Class Members' claims against the FFM Defendants in the Collier Centre, Orchard, and Sutton/The Link actions, which are the Actions in which they were sued. The FFM Defendants will pay \$2.375 million inclusive of all interest, court costs, administrative costs, and legal fees in exchange for a full and final release from the Class Members in these three actions.

FFM Capital Inc. is bankrupt. However, FFM did have a policy of insurance that responded to the Class Actions, and the FFM Settlement Funds are being paid by FFM's insurer.

In exchange for payment of the Settlement Funds, all of the Class Members' claims against the Settling Defendants will be released on a full and final basis. The ongoing claims against the Non-Settling Defendants will be limited to the Non-Settling Defendant's proportionate share of fault, if any, for the Class Members' losses.

14. Who are the "Settling Defendants"?

There are many defendants in these Class Actions. The Settling Defendants are:

- (i) Building & Development Mortgages Canada Inc. (formerly Centro Mortgage Inc.), a mortgage brokerage firm;
- (ii) The Estate of Ildina Galati by its Trustee in Bankruptcy, Crowe Soberman Inc., Ms. Galati was the principal broker of BDMC;
- (iii) FFM Capital Inc., a mortgage brokerage firm;
- (iv) Rosalia Spadafora, the principal broker of FFM from January 28, 2014 until February 1, 2018; and
- (v) Saul Perlov, the principal broker of FFM from approximately July 25, 2013 until October 30, 2013 .

15. What does a Partial Settlement mean?

The Court has approved the Settlements with the Settling Defendants. But that will not end the lawsuits. The Class Actions will be continued as against each of the Non-Settling Defendants. This will include bringing a motion for certification of the Class Actions as against each of the Non-Settling Defendants, and eventually holding a trial on the common issues, assuming that certification is granted. It is possible that there may be future settlements, and if there are you will be notified. You will also be notified about the outcome of any common issues trial.

16. How do I get paid from the Settlements?

The Court has determined that the Settlement Agreements are fair, reasonable, and in the best interests of Class Members in each of the Class Actions.

The Court has also approved a distribution plan for the payment of the net Settlement Funds to the Class Members. Because the Class Members are all known from the records of BDMC and Sorrenti Law (the original mortgage administrators), FAAN will distribute the settlement funds directly to the Class Members in accordance with the distribution plan. There is no need to fill out any forms or to make any application to receive a payment.

THE LAWYERS REPRESENTING YOU

17. Do I have a lawyer?

Waddell Phillips Professional Corporation and MSTW Professional Corporation are the lawyers for the Representative Plaintiffs and are referred to as Class Counsel.

18. Do I have to pay anything?

You do not have to pay any of the fees and expenses of Class Counsel, directly. Class Counsel's fees and expenses have been approved by the Court in the total amount of \$X, inclusive of disbursements and taxes for the BDMC Settlement and \$Y for the FFM Settlement. These amounts will be deducted from the Settlement Funds, along with FAAN's costs associated with providing the Notices and administering the Settlements, and the balance will then be paid out to the Class Members.

(together, the “Class Actions”)

This notice provides you with important information about the Class Actions that you need to be aware of because there are **two important developments** that can impact your legal rights.

1. The Class Actions have been Certified for Settlement Purposes

The Class Actions brought in respect of each of these five Development Projects have been certified as class proceedings as against the Defendants, Building & Development Mortgages Canada Inc. (formerly carrying on business as Centro Mortgage Inc.) (“BDMC”), and the Estate of Ildina Galati, deceased, by its Trustee in Bankruptcy Crowe Soberman Inc. (“Galati”) (together, the “BDMC Defendants”).

The Court has also certified the actions involving the Collier Centre, Orchard, and Sutton/The Links Development Projects as against the Defendants FFM Capital Inc., Rosalia Spadafora and Saul Perlov (together, the “FFM Defendants”). (The FFM Defendants were only sued in the actions involving these three Development Projects.)

The BDMC Defendants and the FFM Defendants, together, are referred to as the “Settling Defendants”.

The Class Actions have not been certified as against any of the remaining (Non-Settling) Defendants. A further notice will be sent to you if the Class Actions are certified against the Non-Settling Defendants. The court hearing for the opposed certification motion will be scheduled in 2023.

2. The Court has Approved Settlements with the BDMC Defendants and the FFM Defendants

The Ontario Superior Court of Justice has approved a settlement with the BDMC Defendants that will fully and finally resolve the Class Members' claims against the BDMC Defendants in all five actions. The **BDMC Defendants will pay \$8 million** inclusive of all interest, court costs, administrative costs, and legal fees in exchange for a full and final release from the Class.

The Court has also approved a settlement with the FFM Defendants that will fully and finally resolve the Class Members' claims against the FFM Defendants in the Collier Centre, Orchard, and Sutton/The Links actions. The **FFM Defendants will pay \$2.375 million** inclusive of all interest, court costs, administrative costs, and legal fees in exchange for a full and final release from the Class Members in these three actions.

In both Settlements, the Settlement Funds are being paid by the Settling Defendants' insurers. The Court has determined that the Settlements are fair, reasonable and in the best interests of these Classes.

No settlement has been reached with the Non-Settling Defendants. If any future settlement is achieved, you will receive another notice to tell you about that.

What Do I Need to Know?

Please read the following **Part I** and **Part II** to understand how the certification and settlement approval impact your legal rights, including your right to "opt out" of the Class Actions and the Settlements if you do not want to participate in these Class Actions.

If you take no action and do not submit an opt out notice, then you are automatically included as a Class Member in the Class Actions involving the Development Projects in which you invested. You will be bound by all court orders in the Class Action(s) to which you are a Class Member, and you will not have an opportunity to opt out at a later time. As a Class Member you will be unable bring your own lawsuit against any of the Defendants with respect to your investment in the Fortress syndicated mortgage loans that are the subjects of these Class Actions.

If you opt out and exclude yourself from the Class Action(s), you will not participate in the BDMC and FFM Settlements, any future settlements or any trial judgment. If you do decide to opt out, you should be aware that there are limitation periods and bankruptcy proceedings that can impact your ability to recover against the Defendants, and we recommend that you consult with a lawyer to make an informed decision.

You do not have to pay any legal fees out of your own pocket to participate in the Class Action(s). Class Counsel are paid on a contingency fee basis from the Settlement Funds, as explained below. You are also not at risk to pay any court costs. Only the Representative Plaintiffs are liable for any adverse court costs, and Class Counsel has provided them with an indemnity.

Part I: Certification of the Actions Against BDMC and FFM

BASIC INFORMATION

1. What is a Class Action?

A class action is a unique type of lawsuit. It allows many people to sue someone who hurt or injured them in a similar way. For example, in this case the investors in each of the syndicated mortgage loans on each Development Project are called the "Class" and each individual investor is a "Class Member".

Because the number of people in a class can be large, one or more class members act as "representative plaintiffs". These class members chose to bring the action on behalf of everyone who was affected by the defendants. Here, the Representative Plaintiffs are pursuing these Class Actions for the benefit of everyone who invested in a syndicated mortgage loan relating to one or more of the five Development Projects. The lawyers for the Representative Plaintiffs and the Classes are called "Class Counsel".

In a class action, the court decides the issues about what happened and the legal questions that are common to the whole class. These are called "Common Issues", and when they are decided at trial, they are decided for everyone in the class.

2. What is the lawsuit about?

The Representative Plaintiffs in these Class Action are seeking to recover the losses they and the Class Members suffered as a result of their investments in the Fortress syndicated mortgage loans secured on the five Development Projects. The claims do not relate to investors losses from their investments in any other syndicated mortgage loans on any other developments.

The Defendants in all five of the Class Actions include Fortress Real Capital Inc., Fortress Real Developments Inc., Building & Development Mortgages Canada Inc. (formerly Centro Mortgage Inc.), The Estate of Ildina Galati by its Trustee in Bankruptcy Crowe Soberman Inc., Derek Sorrenti, and Sorrenti Law Professional Corporation.

In the Collier Centre, Sutton/The Link and Orchard Class Actions, the Defendants also include FFM Capital Inc., Rosalia Spadafora and Saul Perlov.

The developers and certain other companies and individuals are also named in the Statements of Claim. The claims allege that all of the Defendants' conduct caused or contributed to the Classes' losses.

3. What are the allegations?

The Class Actions allege that the Class Members suffered investment losses as a result of the misconduct of the Defendants.

The Class Actions raise several different causes of action against the Defendants. The legal terms for these allegations are: violations of statutory duties as per the *Financial Services of Ontario Act*, breach of fiduciary duties, fraudulent and negligent misrepresentations, negligence, conspiracy to injure, and breach of contract.

If you would like to read more, copies of the Statements of Claim can be viewed under the documents tab at: www.fortressclassaction.ca.

4. How do the Defendants respond to these allegations?

None of the Defendants have defended the Class Actions, yet.

None of the allegations made against the Settling Defendants has been proven in court, and the Settling Defendants deny all the allegations that have been made against them. If a settlement had not been reached, the Settling Defendants would be defending the Class Actions and opposing the certification of these actions as class proceedings. The settlement is a compromise of the parties' positions and is not an admission of liability or fault by the Settling Defendants.

5. Has the Court decided who is right?

No decision has been made about whether the Class or the Defendants are right. This will not happen unless the matter goes to trial against the Non-Settling Defendants.

While the Settling Defendants have negotiated Settlements, the Court has not, and will not decide if any of the Settling Defendants are at fault.

CERTIFICATION INFORMATION

6. Why did I get this Notice?

You received this Notice because, according to the records of BDMC and/or Sorrenti Law, you invested in one or more of the syndicated mortgage loans that are the subject of these Class Actions, and you are, therefore, a Class Member.

The Notice lets you know that the Plaintiffs have reached Settlements with the Settling Defendants. As part of the Settlements, the Settling Defendants have consented to the actions being certified as class proceedings as against them.

This Notice tells you that the Class Actions have been certified, and the Court has approved the Settlements. It tells you that, unless you decide to exclude yourself from the Class Actions, you will be bound by the Settlements and any by future court orders involving the Class Actions. As part of the Settlements, the Class Members will be providing full and final releases to the Settling Defendants. They will also be limiting their claims against the Non-Settling Defendants to the Non-Settling Defendants' proportionate share of liability as determined at trial.

If you do not wish to be included in the Class Actions or participate in the Settlements, you have a choice to exclude yourself from the Class Actions ("Opt Out"). The Opt Out process is described, below at #11 on p. 13.

If you Opt out, you will not be bound by any Court decision in the Class Actions, and will not be able to participate in the Settlement. If you Opt Out, you cannot later chose to opt back in, and you will not be able to participate in any future settlements or trial judgments.

7. What is "Certification" and why is it necessary?

In order for the Court to decide if the Settlement Agreement is fair, reasonable, and in the best interests of Class Members, the Court must first decide if the Actions are suitable to be prosecuted

as class actions. It must appoint the representative plaintiff(s) to allow the representative(s) to pursue the action on behalf of the Class, and it must decide who the Class Members are. The Court does this through a process called "certification". Without certification, the lawsuits could not be prosecuted for the benefit of the Classes, and each investor would have to make claims for their losses individually.

8. Who is a Class Member?

The Class Members in each of the Class Actions are:

For CV-16-558165-00CP (Collier Centre):

All persons in Canada who invested prior to January 30, 2015 in a syndicated mortgage in respect of the Collier Centre Project No. 1, registered against title to lands located at 90 Collier Street and 55 Mulcaster Street, Barrie, Ontario, as Instrument SC1005953.

9. What are the Common Issues?

The common issues certified as against the BDMC Defendants are:

- i. Did BDMC breach its contracts with the Class members? If so, how?
- ii. Did BDMC owe a fiduciary duty to the Class members, and if so, in what respect? If yes, did BDMC breach its fiduciary duty owed to the Class members, and if so, how?
- iii. Did BDMC and/or Galati owe a duty of care to the Class members with respect to the claims asserted against them in negligence or negligent misrepresentation?
- iv. If BDMC and/or Galati owed a duty of care to the Class members with respect to the claims in negligence or negligent misrepresentation, what was the applicable standard of care for the Settling Parties?

The common issues certified as against the FFM Defendants are:

- i. Did FFM breach its contracts with the Class members? If so, how?
- ii. Did FFM owe a fiduciary duty to the Class members, and if so, in what respect? If yes, did FFM breach its fiduciary duty owed to the Class members, and if so, how?

- v. If the Settling Parties who are current Defendants owed a duty of care to the Class members with respect to the claim in negligence or negligent misrepresentation, did the Settling Parties breach the applicable standard of care? If so, how?
- vi. Did FFM make fraudulent misrepresentations to the Class members, and, if so, is FFM liable to the Class with respect thereto?
- vii. Did FFM conspire with any one or more of Fortress Real Capital Inc., Fortress Real Developments Inc., Jawad Rathore, Vincenzo Petrozza, Building & Development Mortgages Canada Inc., or others, with the intent to cause harm to the Class members? If so, did the conspiracy cause harm to the Class members?
- viii. Can the Class members' damages be assessed, in whole or in part, in the aggregate, and if so, what is the quantum of their aggregate damages?

10. Are there risks involved in being a Class Member?

Class Members are not responsible for any court costs that might be payable to the Non-Settling Defendants. Only the Representative Plaintiffs are at risk for any adverse cost awards, and they are being indemnified by Class Counsel.

Class Members do not have to pay any legal fees out of their own pockets. Class Counsel are working on a contingency fee basis, which means that they are only paid if the Class Action is successful, either through settlements or a trial judgment. Class Counsel's fees are paid from the settlement fund or trial judgment, and must first be approved by the Court.

Class Members cannot sue the Defendants on their own, and they are bound by the Court's decisions in the Class Actions - whether or not they are favourable to the Class.

11. What If I Don't Want to be Involved in the Class Action(s) (Opt Out)?

As the Class Actions have been certified you have an important decision to make about whether or not you wish to be included as a Class Member.

You do not have to do anything to stay in the Class Action(s), but if you do not want to participate in them, and you do not want to receive any of the Settlement Funds, you must take action to Opt Out. If you Opt Out, you will not be bound by any Court orders and you keep your right to sue the Defendants regarding the issues raised in these cases. You cannot change your mind later and opt back into the Class Actions.

<p>OPT OUT Exclude Yourself from the Class Action</p>	<p>If you choose to Opt Out of the Class Action(s), then you will not be bound by any Court orders. This means you will get no payments or benefits from the Settlements with the Settling Defendants, or any future settlements or trial judgment. This also means you will not be bound to any negative results in respect of the remaining parts of the Class Actions.</p> <p>If you Opt Out, you keep the right to sue any of the Defendants on your own - however, you should be aware that there are limitation periods and bankruptcy proceedings that apply to your claim, and you should seek legal advice as soon as possible to determine your right to bring an individual action.</p> <p>To Opt Out you must notify Class Counsel in writing by no later than [60 days after the date of the Order].</p> <p>To validly Opt Out you must send an Opt Out Notice that includes:</p> <ul style="list-style-type: none"> • your full name and contact information; • the Development Project(s) in which you invested;

	<ul style="list-style-type: none"> • a written statement that says that you do not wish to participate in the Class Action(s), and are choosing to Opt Out; and • your signature or electronic equivalent <p>Opt Out Notices may be sent to Class Counsel by mail, email, fax, or courier to one of the addresses set out below on p. 16, and must be received, and in the case of Canada Post mail, post-marked, by no later than 5 pm E.T. on [date]</p>
--	---

12. What happens if I do nothing?

Once the Opt Out period has expired, FAAN Mortgage Administration Inc. will distribute the net Settlement Funds to the Class Members in each Class Action in accordance with a distribution plan approved by the Court as part of the Settlement Approval. The net Settlement Funds is that amount of the Settlement Funds that remains after deduction of the court-approved Class Counsel legal fees and disbursements, the costs of delivering the Notices, and the Settlement administration costs.

As a Class Member, you will be legally bound by all Court orders and judgments, including a release to be granted in favour of the Settling Defendants. You will not be able to sue any of the Defendants on your own with respect to your syndicated mortgage loan investment losses.

Part II: Approval of the Settlements with BDMC and FFM

13. What are the terms of the Settlement Agreements?

The Ontario Superior Court of Justice has approved a settlement with the BDMC Defendants that will fully and finally resolve the Class Members' claims against the BDMC Defendants in all five Class Actions. The BDMC Defendants will pay \$8 million inclusive of all interest, court costs, administrative costs, and legal fees in exchange for a full and final release from the Class.

BDMC no longer carries on business. Its mortgage administration and trustee services are being dealt with by FAAN Mortgage Administrators Inc. in its capacity as Court-Appointed Trustee of the assets, undertakings and properties of BDMC and Sorrenti. Ms. Galati has died, and her Estate is bankrupt. However, BDMC did have a policy of insurance that responded to the Class Actions, and the BDMC Settlement Funds are being paid by BDMC's insurer.

The Court has also approved a settlement with the FFM Defendants that will fully and finally resolve the Class Members' claims against the FFM Defendants in the Collier Centre, Orchard, and Sutton/The Links actions, which are the Actions in which they were sued. The FFM Defendants will pay \$2.375 million inclusive of all interest, court costs, administrative costs, and legal fees in exchange for a full and final release from the Class Members in these three actions.

FFM Capital Inc. is bankrupt. However, FFM did have a policy of insurance that responded to the Class Actions, and the FFM Settlement Funds are being paid by FFM's insurer.

In exchange for payment of the Settlement Funds, all of the Class Members' claims against the Settling Defendants will be released on a full and final basis. The ongoing claims against the Non-

Settling Defendants will be limited to the Non-Settling Defendant's proportionate share of fault, if any, for the Class Members' losses.

14. Who are the "Settling Defendants"?

There are many defendants in these Class Actions. The Settling Defendants are:

- (i) Building & Development Mortgages Canada Inc. (formerly Centro Mortgage Inc.), a mortgage brokerage firm;
- (ii) The Estate of Ildina Galati by its Trustee in Bankruptcy, Crowe Soberman Inc., Ms. Galati was the principal broker of BDMC;
- (iii) FFM Capital Inc., a mortgage brokerage firm;
- (iv) Rosalia Spadafora, the principal broker of FFM from January 28, 2014 until February 1, 2018; and
- (v) Saul Perlov, the principal broker of FFM from approximately July 25, 2013 to October 30, 2013 .

15. What does a Partial Settlement mean?

The Court has approved the Settlements with the Settling Defendants. But that will not end the lawsuits. The Class Actions will be continued as against each of the Non-Settling Defendants. This will include bringing a motion for certification of the Class Actions as against each of the Non-Settling Defendants, and eventually holding a trial on the common issues, assuming that certification is granted. It is possible that there may be future settlements, and if there are you will be notified. You will also be notified about the outcome of any common issues trial.

16. How do I get paid from the Settlements?

The Court has determined that the Settlement Agreements are fair, reasonable, and in the best interests of Class Members in each of the Class Actions.

The Court has also approved a distribution plan for the payment of the net Settlement Funds to the Class Members. Because the Class Members are all known from the records, of BDMC and Sorrenti Law (the original mortgage administrators), FAAN will distribute the settlement funds directly to the Class Members in accordance with the distribution plan. There is no need to fill out any forms or to make any application to receive a payment.

THE LAWYERS REPRESENTING YOU

17. Do I have a lawyer?

Waddell Phillips Professional Corporation and MSTW Professional Corporation are the lawyers for the Representative Plaintiffs and are referred to as Class Counsel.

18. Do I have to pay anything?

You do not have to pay any of the fees and expenses of Class Counsel, directly. Class Counsel's fees and expenses have been approved by the Court in the total amount of \$X, inclusive of disbursements and taxes for the BDMC Settlement and \$Y for the FFM Settlement. These amounts will be deducted from the Settlement Funds, along with FAAN's costs associated with providing the Notices and administering the Settlements, and the balance will then be paid out to the Class Members.

The Court has also granted orders certifying the Collier Centre, Orchard, and Sutton/The Links actions as class proceedings as against the FFM Defendants, for the purpose of effecting that settlement.

There are other defendants in each of the five actions that have not settled, and the Class Actions will be continuing against those non-settling defendants.

The Class Members in each of the Class Actions are:

You have received this Notice because you have been identified by FAAN, the mortgage administrator, as a Class Member in one or more of these Class Actions.

What the Class Actions are About

In each of the five Class Actions, the Plaintiffs assert claims against the Settling Defendants for breach of contract, negligence, negligent misrepresentation, fraudulent misrepresentation, and conspiracy. The claims seek payment of damages (money) to the Class Members to compensate them for the losses that they have suffered from their investments in the syndicated mortgage loans for each of these Development Projects.

None of the allegations made against the Settling Defendants has been proven in court, and the Settling Defendants deny all the allegations that have been made against them. If a settlement had not been reached, the Settling Defendants would be defending the Class Actions and opposing the certification of these actions as class proceedings. The settlement is a compromise of the parties' positions and is not an admission of liability or fault by the Settling Defendants.

What you Need to Do Now

If you want to remain in the Class Action(s) and participate in the settlement(s), then you do not need to do anything. You are automatically included in the Class Action, if you meet the class definition. Your share of the settlement funds will be calculated by FAAN and distributed to you by it.

If you do not want to be involved in the Class Action(s), and you do not want to be paid a portion of the settlement funds, then you need to "Opt Out" of the Class Action(s).

<p>How to OPT OUT</p>	<p>If you choose to Opt Out of the Class Action(s), then you will not be bound by any Court orders. This means you will get no payments or benefits from the settlements with the Settling Defendants, or any future settlements or trial judgment.
